

Be a Miracle Maker

Can you believe it's been over two years since COVID-19 was first found here in the U.S.? While there's much we still don't know about this virus, we have learned that for some, access to advanced critical care and/or ECMO (a scarce form of life support) was lifesaving... and **MORE IS POSSIBLE**. Patients who are eligible for ECMO and can't receive treatment have a 90% mortality rate and it is available in less than 10% of U.S. hospitals! Now that we know its potential, we need to expand training and access to ensure future miracles!

Maria's Miracle is partnering with the Conrad Washington DC, and their Conrad Cares Initiative to host our inaugural Fundraising Brunch on August 28, 2022 at 12 noon. This event will include an afternoon of music, magic, mimosas...and of course miracles. **Would you consider an in-kind or auction donation?**

If you don't know Maria's story, please visit mariasmiracle.org to learn more or to watch her patient profile video produced by Johns Hopkins Medicine.

More about the event:

- Small plates and drinks provided by the Conrad Washington DC culinary team together with local DC chefs and mixologists
- Music provided by **Doug Edgell**, Pittsburgh based acoustic guitarist and singer
- Roaming magic by **Chris Mike Magic**
- Auction opportunities
- 200 attendees including donors, sponsors, healthcare workers, friends, and ECMO/ICU Survivors!

One of Maria's Miracle's 2022 goals is to raise \$100,000 to open an endowment at Johns Hopkins Medicine to support training one doctor a year in heart, lung, and blood critical care (and ECMO) to expand capacity both here in the U.S. and hopefully internationally. **Can you help us reach our goal by donating an auction item or helping support the event in another way?**

Maria's Miracle is a registered 501(c)3 non-profit organization EIN# 87-2517028. Your donation is tax exempt to the extent allowed by law. If you are able to help, please complete the attached giving form and send it to info@mariasmiracle.org. Corporate Sponsorship Opportunities are also available.

With gratitude,

Maria Young, Founder
